REMARKS:

REMARKS REGARDING SPECIFICATION AMENDMENTS:

The title of the application has been amended as indicated above. Specifically, the phrase "and Compositions" has been removed to more accurately reflect the scope of the present claim set.

In making the above amendment, Applicants' intention is to not narrow the scope of the protection sought by the application.

REMARKS REGARDING CLAIMS AMENDMENTS:

The claims have been amended as indicated above. Specifically:

- Claims 1, 2, 18, 28, 29, 38, 44, 46-48, 50-85, 92, 98, 105, 107, 112-115, 125-130, 133-148, 156, 159, and 163 have been canceled by the present or previous papers.
- Claims 45, 99 and 149 have been amended so as to incorporate all of the limitations of the claims from which they were previously dependent.

In making the above amendments, Applicants' intention is to not narrow the scope of the protection sought by these claims. Specifically it should be noted that the amendments to claims 45, 99 and 149 have been made in accordance with the provisions of 35 U.S.C. §112, fourth paragraph which specifically provides that a dependent claim incorporates by reference all of the limitations of the claim from which it is dependent. Thus, in making these amendments, no narrowing of the literal scope of the claim has taken place.

Support for the above amendments to the claims can be found in the original specification as filed.
